CERTIFICATE OF APPRECIATION

This is to Certify that **M/s. INFOMAPS** — Sri Mangadu Kamatchiamman Business Corporation is recognized and sincerely appreciated for exemplary professional services rendered in the development and deployment of digital governance applications for Madurai City Municipal Corporation.

Integrated Command & Control Centre (ICCC) — Web GIS Platform

Development and deployment of open-source Web GIS for real-time municipal monitoring at ICCC Madurai — covering Water Supply, Street Lighting, Solid Waste Management, Vehicle Movements, Disaster Management, Health Services, and Public Grievance Redressal — enabling street-level micro-analysis and faster service delivery.

Vehicle Management System

Real-time tracking of municipal fleet operations, improving route optimisation, maintenance scheduling, and accountability in vehicular deployments.

Book Your Water Tank

Citizen-centric platform enabling online booking, real-time dispatch tracking, and transparent delivery of emergency and scheduled water supply services.

Madurai Court Case Management System

Streamlined tracking and digital repository for legal cases — enabling timely follow-ups, compliance tracking, and efficient hearing schedule management.

Public Grievance Redressal System

Multi-channel grievance submission with automated escalation, real-time status tracking, and department-wise resolution monitoring — reducing resolution time and improving public trust.

Non- Tax Revenue Application

Digital solution to manage Non-Tax Revenue collection (Rental Collection/Dues of Municipal Assets) through QR integration.

Asset Mapping System

Digital documentation of municipal infrastructure — integrating property records, civic assets, and urban utilities into a unified dashboard for improved asset tracking and data-driven planning.

Smart Madurai App & Grievance Management System

Citizen mobile application (Google Play Store) with department-wise grievance registration and an officer field app with geo-location locking for authentic on-ground service delivery.

*The professionalism, technical expertise, and timely execution demonstrated throughout all projects — complemented by a prompt and reliable support system — have been truly commendable and instrumental in the success of these initiatives. The dedication and innovation brought forth by the Infomaps team continue to be a **valuable asset in Madurai Corporation's digital transformation journey.***
