CERTIFICATE OF APPRECIATION

This is to certify that **M/s. INFOMAPS – Sri Mangadu Kamatchiamman Business Corporation** is recognized and sincerely appreciated for its exemplary professional services rendered in the **development and deployment of GIS-based Web and Mobile Applications** for the **Namakkal District Collectorate**.

GIS-Based Web and Mobile Application :

Development and deployment of open-source GIS platforms for real-time monitoring and data-driven decision-making across administrative departments – grievance management, and citizen service delivery. The system enables micro-level analysis, transparency, and improved operational efficiency.

Public Grievance Redressal System – “THEERVU”:

A citizen-centric digital platform designed to streamline grievance registration, tracking, and resolution. The **“THEERVU”** application integrates mobile and web interfaces with QR for both citizens and officials, ensuring timely redressal, accountability, and enhanced public trust through automated escalation and real-time status monitoring.

Commitment to Digital Governance:

Infomaps has demonstrated outstanding professionalism, technical expertise, and timely execution throughout all stages of project development. The dedication and innovation of the Infomaps team have been instrumental in advancing **Namakkal District’s digital transformation journey**, fostering efficient governance and citizen empowerment.

The Namakkal District Collectorate commends Infomaps for its valuable contribution and continued support in strengthening technology-driven public administration.

**District Collector,
Namakkal.**
